GOVERNMENT OF MYSORE STORES PURCHASE COMMITTEE, BANGALORE.

Notice No. S. P. C. 783, dated 28th July 1924.

Sealed tenders will be received by the undersigned up to 12 noon on Saturday the 30th August 1924 for the supply of articles of hardware, etc., required for the Krishnarajasagara Works during the year 1924-25. The approximate quantity and description of the articles required are given in the subjoined statement, and tenders should be sent in the form of that statement duly noting in column left blank, the rate at which the articles will be supplied. The rates quoted should be inclusive of the cost of delivery at the place of destination given in column 8 of the statement. Tenders should be superscribed "Tenders for the supply of articles of hardware, etc., for the Krishnarajasagara Works." Earnest money of Rs. 100 which should be only in cash or by means of cheques on the Imperial Bank or Mysore Bank, Bangalore, should accompany the tender, without which tender will not be considered. Cheques on Banks other than those in Bangalore will not be accepted.

2. Tenders should be for any whole group or groups of articles noted in the statement. Tenders for part of a group or groups will not be considered.

3. The rates given in the tender should hold good throughout the year 1924-25. No application from the contractor for any sort of concession owing to the rise in the prices of the articles in the market or any other cause will be considered. The quantities given in the schedule are only approximate and cannot be guaranteed. The articles will have to be supplied from time to time on indents to be made by the Executive Engineer, Dam Construction Division. The whole of the quantity will be drawn before the 30th June 1925. Articles marked "W" in the subjoined schedule should be supplied in full immediately.

4. Final acceptance of the tender will be notified in due course and he will be required to deposit as security the amount noted against the article in column 4 and to execute an agreement for the due fulfilment of the contract for the supply required, within eight days of the intimation of acceptance of the tender. The earnest money will be forfeited to Government, if the tenders, whose tender is accepted, fails to execute the agreement for the due fulfilment of the contract and to furnish security as specified in column 4 of the subjoined statement, or if the tenderer withdraws his tender before the acceptance or non-acceptance of his tender is communicated to him. The earnest money on rejected tenders will be returned.

5. Should the contractor fail to comply with any of the conditions detailed above, his contract will forthwith be cancelled, and the deposit forfeited to Government.

6. In case of dispute as to whether the supply of the articles is according to specification, the decision of the Stores Purchase Committee shall be final.

Notice No. S. P. C. 627, dated 22nd July 1924.

Sealed tenders will be received in the office of the undersigned up to 12 noon on Monday the 18th August 1924, for the supply of Sanitary materials, etc., required for the New Public Office Buildings at Bangalore. The approximate quantity and description of the articles required are given in the subjoined statement, and tenders should be sent in the form of that statement duly noting in column left blank the rate at which the articles will be supplied. Tenders should be superscribed "Tenders for the supply of Sanitary materials, etc., for the New Public Office Buildings at Bangalore." Earnest money of Rs. 100 which should be only in cash or by means of cheques on the Imperial or Mysore Banks, Bangalore, should accompany the tender, without which tender will not be considered. Cheques on Banks other than those in Bangalore will not be accepted.

2. The rates given in the tender which should include the cost of delivery of the articles free on rails at Bangalore Railway Station, Bangalore, should hold good for seventeen days from the date fixed for opening the tenders. The whole of the quantity of the material should be supplied within one month from the date of the acceptance of the tender is communicated to the tenderer.

3. Final acceptance of the tender will rest with the Stores Purchase Committee who do not bind themselves to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any tender.

4. The name of the successful tenderer will be notified in due course and he will be required to deposit as security the amount noted against the articles in column 4 for proper execution of the contract for the supply required within the time specified. The earnest money will be forfeited to Government, if the tenderer whose tender is accepted fails to furnish security as specified in column 4 of the subjoined statement, or if the tenderer withdraws his tender before the acceptance or non-acceptance of his tender is communicated to him. The earnest money on rejected tenders will be returned.

5. Should the contractor fail to comply with any of the conditions detailed above, his contract will forthwith be cancelled, and the deposit forfeited to Government.

6. In case of dispute as to whether the supply of the articles is according to specification the decision of the Stores Purchase Committee shall be final.

By Order,

M. S. RAMACHANDRA RAO,

Secretary, Stores Purchase Committee.

OFFICE OF THE SUPERINTENDENT OF SERICULTURE IN MYSORE.

Notification dated 31st July 1924.

Tenders are hereby invited for the supply of firewood for the Government Silk Filature at Mysore for a period of one year. Tenders should reach the undersigned before noon on Monday the 25th August 1924.

The approximate quantity required during the year is 240 tons. Fire-wood should be delivered at the Filature premises in lots of 15' x 10' x 6' which will be considered equal to 10 tons. The lots should consist of pieces of the approximate length of 2½', and should be built under the supervision of the Filature authorities. The supplies should consist of the marginally noted kinds, and the undersigned reserves to himself the right either to reject or to accept at lower rates, any fire-wood not answering to the above specifications.
